## INSTRUCTIONS

The Utah Employment Security Act provides that the Department of Workforce Services must determine the status of each business and each person independently established in a trade, occupation, or profession. This report is to be completed immediately and returned to P.O. Box 45288, Salt Lake City, Utah 84145-0288.

All items must be completed. If an item does not apply to your business, enter N/A (Not Applicable).

Except as indicated below, all items are self-explanatory:

**ITEM 2:** If you have more than one trade name or business name, also list the name or names by which your company is best known by the public.

**ITEM 7:** Address of agent or office able to provide wage data, weeks of employment and other information about employee's separated from your employment, if different from item 2.

**ITEM 8:** If there is more than one permanent work site, please attach a separate sheet listing the name, address and telephone number of each site.

**ITEM 11:** Please describe in detail the specific product or service you provide. Be specific in your description. Do you manufacture, install, sell wholesale or retail, or offer services? Describe the product, what is sold, or the type of services offered. (Examples: wholesale men's wear, construction single residential housing, or computer integrated systems design).

**ITEM 13:** The definition of wages is currently defined by Section 3306(b), of the Internal Revenue Code of 1986, with modifications, subtractions, and adjustments provided in Section 35A-4-208 Subsections (2), (3), and (4), of the Utah Employment Security Act with regard to how the wage base is determined. Wages means all remuneration for employment including commissions, bonuses, **salaries or draws to corporate officers**, tips and the cash value of all remuneration in any medium other than cash.

Wages in Item 13 refers only to wages for employment covered by the Employment Security Act. Under the Act wages paid for services performed by a **sole proprietor's** spouse, parents or children under the age of 21 are **not** wages for unemployment. Wages paid to the entity owner (i.e. sole proprietor, partners and LLC members) are not wages for unemployment.

**ITEM 14:** If you acquired (in whole or part) the business activity previously conducted by another entity, or if the business entity has changed (for example, from a proprietorship to a corporation, even if the owners are still principally the same) please complete Item 14-14e. "Acquired" means to have obtained the use of the business or assets through any legal means. It is not necessary to purchase the assets in order to have acquired them, nor is it necessary for your predecessor to have actually owned the business or assets for you to have acquired the business or assets from him. An acquisition can include change in the form of ownership, inheritance, repossession, foreclosure, gift, or those items noted in Item 14 on the reverse side.

**ITEM 15:** See instructions for Item 13 for definition of wages.
